INTRODUCTION

Spirituality and religiosity are recognized as factors that contribute to quality of life and coping strategies in many persons facing life-threatening illnesses. These life-threatening events can also give rise to spiritual distress. When combined with chronic or acute pain and other physical and psychological symptoms, spiritual distress can be a component of a patient's total suffering, which the Palliative Care Team (The Collective Soul) seeks to alleviate, enhancing the human spirit and creating a healing environment in the middle of the distressful situation. The purpose of this course is to provide a better understanding of the Palliative Care Team's role in enhancing the Human spirit and relieving patient's bio-psychosocial and spiritual suffering.

DESCRIPTION

The purpose of this educational event is to provide community-based, hospital, chaplains, ministers and other interested healthcare professionals with skills for a better understanding of the Palliative Care Team role; embracing the human spirit of patients with advanced illness, multiple physical, psychosocial, spiritual, and religious issues.

Attendees at this conference will learn the principles of Palliative Care and Hospice, state-of-the-art physical, emotional, and spiritual symptom management, effective communication with patients and families at the end of life, and the integration of spiritual care into the Palliative Care practice.

OBJECTIVES OF THE SYMPOSIUM

- Describe the importance and the role of the interdisciplinary team in the Palliative Care and Hospice setting in the care of patients with advanced illnesses and their family in a multicultural environment.
- Apply the principles of management of different distressing physical symptoms of patients with advanced illnesses.
- Articulate the principles of management of distressing emotional and spiritual symptoms in patients with advanced illnesses and their families.

TARGET AUDIENCE

This important educational event is aimed at chaplains, ministers, clergy, spiritual care counselors, nurses, social workers, and other healthcare professionals delivering spiritual care in the community and healthcare facilities. Certificates for Attendance: CMEs, CNEs, CEUs, and Ethics credits will be provided.

SPECIALTY

Hospice and Palliative Medicine

EDUCATIONAL METHODS

- Didactic/Lecture
- Panel Discussions
- Question and Answer Sessions
- Case Presentations

EVALUATION/CERTIFICATES

An online course evaluation tool will provide participants with the opportunity to comment on the value of the program content to their practice decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics. Certificates provided upon completion of symposium evaluation.

ACCREDITATION/CREDIT STATEMENT

In support of improving patient care, The University of Texas MD Anderson Cancer Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CREDIT DESIGNATION

The University of Texas MD Anderson Cancer Center designates this live activity for a maximum of 12.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Texas MD Anderson Cancer Center designates this live activity for a maximum of 12.50 credit(s) of education in medical ethics and/or professional responsibility.

The University of Texas MD Anderson Cancer Center designates this live activity will award 12.50 Nursing Contact Hour(s).

The University of Texas MD Anderson (CEU Provider #4607) is an approved continuing education provider for Social Workers through the Texas State Board of Social Worker Examiners. This activity has been approved for continuing education units.

The University of Texas MD Anderson Cancer Center has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 12.50 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

The University of Texas MD Anderson Cancer Center has implemented a process whereby everyone who is in a position to control the content of an educational activity must disclose all financial relationships with any commercial interest that could potentially affect the information presented. Specific disclosure will be made to the participants prior to the educational activity.

Agendas are subject to change because we are always striving to improve the quality of your educational experience. MD Anderson may substitute faculty with comparable expertise on rare occasions necessitated by illness, schedule conflicts, and so forth.

Photographing, audio taping and videotaping are prohibited.

The University of Texas MD Anderson Cancer Center does not endorse the commercial products, equipment, or services presented by program supporters and/or exhibitors.

Please let us know what specific topics, issues or questions you wish to see addressed or emphasized in this activity. E-mail Continuing Professional Education at ContinuingEducation@MDAnderson.org. All responses will be forwarded to the Activity Directors for consideration.

All statements and opinions contained herein are solely those of the individual speakers and may not reflect those of The University of Texas MD Anderson Cancer Center.
