

9th Annual HEREDITARY CANCER SYMPOSIUM for Health Care Providers

In-Person and Virtual Format (Hybrid Environment) | April 24-25, 2026

Dan L. Duncan Building (CPB), Floor 8, 1155 Pressler Street, Houston, Texas 77030

Activity Directors

Banu Arun, MD, FASCO
Courtney DiNardo, MD
Susy Malca, MS, CGC
Nadine Rayes, MS, CGC

Goal

The symposium is designed for interprofessional healthcare providers and focuses on defining the knowledge and skills needed to recognize and manage hereditary cancers to support optimal patient care. Attendees will gain a deeper understanding of hereditary cancer predispositions to enhance genetic counseling practices, improve the appropriateness of genetic referrals, and facilitate the integration of precision medicine options into clinical care.

Target Audience

This symposium should be of value to physicians, advanced practice providers, nurses, oncology genetic counselors, geneticists, physician assistants, social workers, and students or trainees.

Education Methods

Lectures; Q&A Sessions; Case Studies; and Panel Discussions.

Accreditation

In support of improving patient care, The University of Texas MD Anderson Cancer Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE),

and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation

UT MD Anderson designates this live activity for a maximum of 9.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

UT MD Anderson designates this live activity will award 9.50 Nursing Contact Hours.

Ethics

The activity has been designated by UT MD Anderson for 1.00 AMA PRA Category 1 Credits™ in medical ethics and/or professional responsibility.

Genetic Counselor Credits

This event will be submitted to the National Society of Genetic Counselors (NSGC) for approval of Category 1 CEUs. The American Board of Genetic Counseling (ABGC) accepts CEUs approved by NSGC for purposes of recertification. Approval for the requested CEUs and Contact Hours is currently pending.
