A Comprehensive Board Review in Hematology and Medical Oncology

— A Virtual Live Streaming Course —

Goal

The course is a 6-day comprehensive review of current standards and practices in the management of patients with blood disorders and solid tumors. The course is designed to enable the participant to effectively prepare for the American Board of Internal Medicine certification and recertification examinations in Hematology and Medical Oncology. Advances in clinical pharmacology, molecular genetics and risk assessment, and radiation oncology will be included.

Educational Objectives

At the conclusion of this educational activity, participants should be able to:

- Apply knowledge gained to prepare for the hematology and medical oncology subspecialty and recertification examinations in hematology and medical oncology.
- Demonstrate proficiency of knowledge in hematology and medical oncology.
- Incorporate recent advances in management of hematologic and oncologic patients.

Target Audience

This program should be of interest to Physicians, Advanced Practice Providers, Nurses, and Advanced Practice Registered Nurses.

Educational Methods

- Lectures/Didactic
- Case-based Question-and-Answer Sessions (in board examination format)
- Virtual Live Streaming Course
- Canvas — an online course management system

Evaluation

An online course evaluation tool will provide participants with the opportunity to comment on the value of the program content to their practice decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.

Accreditation

In support of improving patient care, UT MD Anderson Cancer Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation

The UT MD Anderson designates this live activity for a maximum of 51.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOC Points

American Board of Internal Medicine

Successful completion of this CE activity, which includes participation in the evaluation component, enables the participant to earn up to 51.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CE credits claimed for the activity.

It is the CE activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points. In order to receive MOC points, you must pass the post-test with a score of 70% or higher.

CE Certificates and Attendance Verification Certificates

Certificates awarding *AMA PRA Category 1 Credit™* or certificates documenting attendance will be available to participants once they complete the on-line evaluation. To obtain a CE certificate, physicians must complete the on-line evaluation questionnaire.

A record of attendance (certificate) will be available online to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Registration Information

A Virtual Live Streaming Course

The Comprehensive Board Review in Hematology and Medical Oncology will be virtual. This program will be presented only as a live streaming course. You will receive an email from the course platform to log in and access the live course online approximately 3 days before the conference.

Presentations:

The presentations will be pre-recorded. The speakers will be available for the live Q&A sessions. Course syllabus will not be printed. Presentations (slides) will be available online via the course platform and Canvas. The PowerPoint presentations will be posted online as PDFs prior to the conference. You will receive an invitation email with directives to log in Canvas after the conference adjourns.

The Full Conference and Hematology Session will begin at 7:30 a.m. (CDT) on Monday, September 14. The Oncology Session will adjourn at noon on Friday, September 18. The Full Conference will adjourn at 5 p.m. on Saturday, September 19.

Advanced registration is encouraged. Please see the online registration fees page.

***NOTE: The conference registration fee includes the tuition, access to course virtual platform with PDFs of the slides and Canvas - online web-based system with recorded videos.**

The deadline for early registration is Monday, August 24, 2026

- Register online at <https://mdanderson.cloud-cme.com/HMOBR2026>

Telephone registrations are not accepted.

We accept the following forms of payment:

When registering online a receipt (confirmation letter) will be automatically emailed to the e-mail address you list on the registration form.

Refund/Cancellation Policy

The registration fee, minus a \$50 administrative handling fee, is refundable if a written request is received on or before **Monday, August 24, 2026**. No refunds will be granted after that date. The request for a registration refund must include the tax identification number of the company or institution if registration was paid by a company or institution check. For additional information, contact Continuing Professional Education at 713-792-2223 or toll free at 866-849-5866.

Continuing Professional Education reserves the right to cancel activities prior to the scheduled date, if low enrollment or other circumstances make it necessary. Each registrant will be notified by mail, e-mail, or at the phone or fax numbers given on the registration form.

In case of activity cancellation, the liability of Continuing Professional Education is limited to the registration fee. Continuing Professional Education will refund the full registration fee.

Continuing Professional Education reserves the right to limit the number of participants in a program and is not responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available. Please check the website.

Past Conferences - Reviews and Testimonials

"The conference was well worth my time. It is nice to be able to take in as much information as possible and have the option of talking to the speakers afterwards. If this board review is still around in ten years (I hope it is), I will certainly attend it again as I study for my recertification."

"Fantastic course! It helped pass my boards with flying colors!"

"As a first time attendee and visitor to MD Anderson, the overall organization and quality of activity was very impressive and met every expectation. Would recommend this activity to any colleague/associate."

"Excellent review course. The conference was well organized and ran smoothly."

"Exceeded expectations; worth every penny."

"Superb conference. Exceptional, impressive"

"Very well organized. Amazing how well support staff kept program on time."

Please let us know what specific topics, issues, or questions you wish to see addressed or emphasized in this activity by emailing Continuing Professional Education at ContinuingEducation@MDAnderson.org. All responses will be forwarded to the Course Directors for consideration.
