# 6th Surgical Oncology Conference for APPs

**April 29 - May 1, 2027**

The Surgical Oncology Advanced Practitioner (SOAP) Conference aims to foster collaboration and share best practices among Advanced Practice Providers (APPs) in surgical oncology. The 2.5-day program is dedicated to presenting the latest evidence on the diagnosis, prognosis, and treatment of solid tumor malignancies, and enhancing multi-disciplinary management for medical professionals involved in patient care and clinical research.

At the end of this activity, the learner will develop competence of medical knowledge, patient care, and interpersonal communication skills through interactive small group discussion, self-assessment, and post-conference surveys and evaluations.

Additional highlights include several hands-on interactive workshops, such as suturing, robotic bedside assist, laparoscopic skills, wound care, and dermoscopy.

## **Target Audience:**

Advanced Practice Providers (APPs), including Physician Assistants (PA), Nurse Practitioners (NP), Pharmacists, Physicians, Nurses, Trainees (fellows, students), and other Allied Health Professionals.

## **Call for Abstracts:**

Abstracts will be selected for either poster or mini-oral presentation at the conference. Please check our website for more information. Deadline for submission is January 29, 2027, 11:59PM. Authors of selected abstracts will be notified via email by Monday, February 15, 2027.
