

Cancer Care Course: Oncologic Emergencies Across the Age Span
11/10/2022 8:00:00 AM - 11/10/2022 4:30:00 PM

Target Audience:

Specialties: Critical Care
Professions: Nurse/APN

Description:

Oncologic Emergencies are potentially life threatening complications caused by cancer. This course includes both metabolic and structural oncologic emergencies as defined by the Oncology Nursing Society and the Association of Pediatric Hematology Oncology Nurses. Advanced Practice Providers and Content Experts will present the most common oncologic emergencies utilizing patient scenarios and case studies.

Nursing Learning Outcomes:

The registered nurse will self report an increase in knowledge regarding patients experiencing oncologic emergencies.

Accreditation:

The University of Texas MD Anderson Cancer Center is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Credit Designation:

The University of Texas MD Anderson Cancer Center designates this live activity will award 7.00 Nursing Continuing Professional Development (NCPD) contact hour(s).

Commercial Support:

No commercial support has been received for this activity.

The University of Texas MD Anderson Cancer Center adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all relevant financial relationships with ineligible entities (commercial interests). All relevant conflicts of interest have been mitigated prior to the commencement of the activity.
