Wednesday, 4/3/2024 8:00:00 AM - 4/3/2024 4:30:00 PM
Virtual

Target Audience:

Professions: Nurse - RN

Description:

The purpose of this educational activity is to educate registered nurses with advanced knowledge of hematology oncology to increase their overall level of expertise while caring for this patient population. This educational activity discusses the disease processes, diagnostic work-up, treatment modalities, and patient care nursing implications.

Learning Objectives:

- 1 Distinguish between leukemias, lymphomas, and multiple myeloma.
- 2 Utilize knowledge of diagnostic work up, treatment modalities, hematology oncology in providing care to the hematology oncology patient population.
- 3 Recognize signs and symptoms of oncologic emergencies in hematology oncology patients.
- 4 Determine resources to use in order to provide up-date-to-date evidenced based care to hematology oncology patients.

Accreditation:

In support of improving patient care, The University of Texas MD Anderson Cancer Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation:

The University of Texas MD Anderson Cancer Center designates this live activity, manuscript review activity will award 7.25 Nursing Contact Hour(s)

Disclosure of Financial Relationships:

The University of Texas MD Anderson Cancer Center adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies (commercial interests). All relevant conflicts of interest have been mitigated prior to the commencement of the activity.
