ABSTRACTS

may be submitted for the Poster Session, and must be received no later than **FRIDAY, OCTOBER 3, 2022.**

SUBMIT TO IBC2022@MDANDERSON.ORG

Limit poster abstracts to one page, typed single-spaced on plain 8.5 x 11 inch paper, Arial 11 pt font (1" margins). Organize the abstract into Purpose, Methods, Results, and Conclusions, and do not exceed 500 words. Define all abbreviations and provide three to five keywords describing the nature and content of the abstract. Please include the name of the conference, title of your presentation, corresponding author's full name, highest degree, and institutional affiliation. Also, please include author's telephone, and e-mail information. The presenting author should be underlined. Please use a separate page to provide all authors' contact information (e-mail address and phone). Further, please describe all of the COI of each author. If there is no COI, please state it as "none." All poster presenters are required to produce and upload a virtual(digital) and a printed poster, to present the poster in both formats.

Registration for the conference must be submitted at the same time as the abstract.

Register at <https://mdanderson.cloud-cme.com/IBCCConf2022>

The conference committee will select abstracts for poster on the basis of their scientific merit and content quality. Additionally, the committee will also select posters for oral presentation. Participants will be notified of their posters' acceptance by e-mail by Friday, November 4, 2022.

Freestanding 4' x 8' display boards will be provided for displaying posters.

NOTE: IBC-IC conference is considered a small international conference and is not in conflict with SABCS policies. Please see below SABCS policy for your reference.

San Antonio Breast Cancer Symposium (SABCS) Policy-Violation of the following policies will result in withdrawal of the abstract involved from any 2022 San Antonio Breast Cancer Symposium (SABCS) presentation:

- 1. All authors must comply with the Symposium embargo policy, which states that no author is to provide information regarding the abstract or related research to be presented during the symposium to the media or public prior to the scheduled time of presentation at the 2022 SABCS.*
- 2. By submitting an abstract for the 2022 SABCS, the presenter verifies that the abstract's contents and its conclusions have not been and will not be published or presented at any large international or national meeting prior to the SABCS program.*
