

## MD Anderson Cancer Network Nursing Education Series: Systemic Treatments for Cancer Part 2: Updates in Targeted Therapy with Small Molecular Agents

Presented by  
Katherine Mishaw, MS, AOCN, OCN, RN-BC  
Thursday, 8/4/2022 7:00 AM - 8/4/2022 8:00 AM  
Virtual

### Target Audience:

Specialties: General Oncology  
Professions: Nurse/APN, Other

### Description:

The MD Anderson Cancer Network Nursing Education Series is designed for oncology nurses within the Partner and Certified Member program and provides evidence-based oncology content. This learning activity will include information on recently approved small molecular targeted agents in selected solid tumor cancer treatment regimens. Discussion will include underlying genetic changes, the dysregulated cell signaling, the companion diagnostic testing, management of subsequent side effects, and patient education. Zoom registration required.

### Nursing Learning Outcomes:

1 Articulate increased knowledge of one concept learned related to management of cancer patients receiving targeted therapy with small molecular agents.

### Accreditation:

The University of Texas MD Anderson Cancer Center is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

### Credit Designation:

The University of Texas MD Anderson Cancer Center designates this live activity will award 1.00 Nursing Continuing Professional Development (NCPD) contact hour(s).

### Commercial Support:

No commercial support has been received for this activity.

The University of Texas MD Anderson Cancer Center adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all relevant financial relationships with ineligible entities (commercial interests).
