

MD Anderson Cancer Network Nursing Education Series: Reconciliation and Disposal of Oral Medication: Creating a Safe Process for Clinical Research Personnel

Presented by

Doyle Bosque, BSN, Frances J Delaney, BSN, OCN, CCRP, Sheryl Forbes, BSN, PhD, Med, RN, CCRP,
Glenn T Meyers, MSN, CNL, OCN, Erica Ward, DNP

Thursday, 2/3/2022 7:00 AM

Virtual

Target Audience:

Specialties: General Oncology
Professions: Nurse/APN, Other

Description:

The MD Anderson Cancer Network Nursing Education Series is designed for oncology nurses within the Partner and Certified Member program and provides evidence-based oncology content. This learning activity will highlight an outpatient pilot project that developed a standardized process for safe handling of oral investigational medications, including interprofessional collaboration, staff education, policy modification, and workspace modifications.

Learning Outcome:

Articulate increased knowledge of safe practices for reconciling and handling oral investigational drugs.

Accreditation:

The University of Texas MD Anderson Cancer Center is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Credit Designation:

The University of Texas MD Anderson Cancer Center designates this live activity will award 1.00 Nursing Continuing Professional Development (NCPD) credits.

Commercial Support:

No commercial support has been received for this activity.

The University of Texas MD Anderson Cancer Center adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all relevant financial relationships with ineligible entities (commercial interests). All relevant conflicts of interest have been mitigated prior to the commencement of the activity.
