

Texas Adolescent & Young Adult Oncology Conference
February 22-24, 2021
Activity ID 9542

LEARNING OBJECTIVES:

- Identify key physiologic and psychosocial sequelae unique to the AYA population with or having previously experienced a cancer diagnosis;
- Implement evidence-based approaches to the management of the unique physiologic and psychosocial sequelae experienced by AYAs with cancer or cancer survivors;
- Discuss interprofessional approaches to the clinical and psychosocial support of AYAs with cancer;
- Identify the unique implications of cancer for AYAs across the cancer care trajectory.

LEARNER OUTCOME:

At the conclusion of this activity, participants should be able to articulate enhanced knowledge related to evidence-based approaches to managing unique physiologic and psychosocial sequelae experienced by AYAs with cancer or cancer survivors.

ACCREDITATION/CREDIT DESIGNATION

The University of Texas MD Anderson Cancer Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Texas MD Anderson Cancer Center designates this live activity for a maximum of 8.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ETHICS

The Tuesday presentations have been designated by The University of Texas MD Anderson Cancer Center for 2.50 *AMA PRA Category 1 Credits™* in medical ethics and/or professional responsibility.

ACCREDITATION/CREDIT DESIGNATION – NURSING

The University of Texas MD Anderson Cancer Center is accredited with distinction as a provider of Nursing Continuing Professional Development by The American Nurses Credentialing Center's Commission on Accreditation.

The University of Texas MD Anderson Cancer Center designates this course will award 9.0 Nursing Continuing Professional Development (NCPD) credit.

In order to receive CE credits and MOC points, participants must pass the post-test with a score of 70% or higher.

ABIM/ABP MAINTENANCE OF CERTIFICATION

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to:

- 8.25 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program; and
- 8.25 MOC points in the American Board of Pediatrics (ABP) Maintenance of Certification (MOC) program.

It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM or ABP MOC credit. Participant completion data will be shared with and transmitted to the ACCME on the participant's behalf.
