

## Committed to affordable genetic testing

- After billing insurance, the majority of patients pay \$100 or less out of pocket **but your amount could be higher or lower, depending on your plan.**
- We offer a \$250 patient-pay option if you prefer not to bill insurance.
- Our Patient Assistance Program can also offer financial support for patients who meet criteria.

Learn more at [www.invitae.com/billing-options](http://www.invitae.com/billing-options). If you have questions about your bill, please contact us at [clientservices@invitae.com](mailto:clientservices@invitae.com) or 800-436-3037.

## REGISTER YOUR TEST ONLINE

To register your test online, create an account at [www.invitae.com/patients](http://www.invitae.com/patients) and enter the following confirmation code:

Please allow 48 hours for Invitae to receive your DNA sample before registering your test online.
